About Us

Our Collective Impact LLC (OCI) is an educational consulting firm dedicated to advancing equity, inclusion, and student-centered learning environments. Founded by career educators with over 32 years of combined leadership experience, OCI partners with schools, districts, and nonprofits to deliver organizational analysis, professional development, restorative practices, and leadership coaching. Through its equity-centered five-phase model, OCI equips leaders and educators to dismantle disparities, integrate SEL, and cultivate sustainable, inclusive systems

Core Services

- Educational Equity Coaching and Leadership Development
- Organizational Analysis & Strategic Planning
- Professional Development Workshops and Curriculum Design
- Restorative Practices & PBIS Consulting
- School Culture & Climate Assessment
- Stakeholder Engagement and Family Partnership Initiatives
- SEL Integration & Student Wellness Programs
- Evaluation and Data-Informed Strategy Development
- Change Management for K-12 Systems

Differentiators

- Woman-owned, Black-owned, Minority-Owned, EDWOSB, SDB LLC.
- Practitioner-led approach rooted in lived experience and academic research.
- Proven 5-phase implementation framework for systemic transformation.
- Strong track record with grant-funded projects and nonprofit partnerships.
- Programs designed for long-term equity-driven impact, not one-off compliance.
